

REVIVAL FIRE

MAY 2, 2008 PASTOR AARON TOMLINSON VISION

Pastor John, I was praying for you today and the Lord gave me a vision that I wanted to share with you. I saw you and a dove with an olive branch came and rested upon your shoulder. I think that represents a couple of things. First, when the dove returned to Noah the storm was over. I believe that means that your ark has survived the storm and that season is over as God brings you to a place of rest. The dove, an obvious type of the Holy Spirit, was also a testament to Noah that the waters were still covering the earth, which I think speaks of a greater anointing and mantle coming to rest upon your shoulders. An anointing that is apostolic in nature that God is using to cover the nations of the earth with living water. The olive branch meaning that a greater anointing and authority awaits you on your next couple of trips. I then saw you seating people into groups and handing them bread. My mind obviously went to the miracle of the loaves and the fishes and I believe that God wants to encourage you that there is a miraculous flow of provision that is beginning to operate for you and your ministry. As you take the bread of life to the nations God will multiply and multiply his provision until there is plenty left over for you and your house. Finally, I saw like an angel that was traveling with you and his name was Grace. He was hovering over you and pouring out what looked like gold coins. I felt that represented the riches of God's grace to you and the places that you will visit.

It is such a joy for us to be part of your lives and to be able to receive from your ministry. Thanks for all the prayers and encouragement. I hope that this word will be an encouragement to you. I believe a greater flow of the seer anointing and the miraculous will operate in you as God uses you to establish churches and the saints. I am glad that we get to partake.
